¹ NOC (No Overall Control) are councils where no one party has political control and there is a coalition of multiple parties.

4. Successful English Bids by English Indices of Multiple Deprivation

73 of the 105 successful bids were awarded to English local authority areas. Of these areas:

- 34 (46.6%) were awarded to local authorities in the 20% most deprived areas in England²
- 48 (65.8%) were awarded to local authorities in the 30% most deprived areas in England³

There were 25 bids awarded to local authorities who are not in the 30% most deprived areas in England.

Of these:

- 13 (52%) were awarded to Conservative controlled councils
- 5 (20%) were awarded to councils with coalitions where no one party holds control
- 3 (12%) were awarded to Labour controlled councils
- 2 (8%) were awarded to Liberal Democrat controlled councils
- 1 (4%) was awarded to a Green controlled council
- 1 (4%) was awarded to an Independent controlled council
