‘Here to Help’ Offer 2019/20

Resources to support students whilst studying at home

	Help with understanding higher education	Help with making choices about higher education	Help with what to do next
Year 9	<p>‘Degree or No Degree’ Introduces higher education; the types of degrees and qualifications available to students and looks at exciting industries graduates can go onto.</p>	<p>‘Introducing the World of Careers’ Introduces the range of careers available locally and nationally. Includes a research activity to enable students to discover the qualifications and experience needed for different careers.</p> <p>‘How to Find Your Perfect Career’ Exploratory activities to help identify the skills, motivations and likes students have, and how they can be used in future careers.</p>	<p>Meet our team and invite students to ask questions at ‘Here to Help’ www.heppsy.org</p> <p>See and share resources for students, parents, carers and your staff at HeppHUB www.hepp.ac.uk</p>
Year 10	<p>‘Degree Pathways’ Introducing the variety of career pathways that higher education can provide including great graduate case studies.</p> <p>‘Sleep Session’ Exploring why sleep is important whilst at university, the importance of a good routine and examining the effects of lack of sleep.</p>	<p>‘What’s Next After School?’ Explores options post 16 that support varied careers and higher education opportunities, and that do not limit future options. Includes a research task tailored to local opportunities and providers.</p> <p>‘How to Find Your Perfect Career’ Exploratory activities to help identify the skills, motivations and likes students have, and how they can be used in future careers.</p>	<p>Meet our team and invite students to ask questions at ‘Here to Help’ www.heppsy.org</p> <p>See and share resources for students, parents, carers and your staff at HeppHUB www.hepp.ac.uk</p>
